33 Quart Elite Series

Durability and ease of use are the driving factors behind the design of every Vortex cooler. The Vortex Elite Series is built with one thing in mind - ensuring that you get maximum enjoyment out of your precious summer time! Perfectly suited for busy families and weekend warriors alike, our Elite Series coolers feature the exclusive Perimeter Attachment System (PAS) which opens up options to accessories that other coolers can't match. Built to take a beating and shrug it off, the ultra-tough rotational molded construction and structurally reinforced insulating foam ensure reliable performance for years to come. Heavy-duty integrated hinges and easy-cam latches maximize ice time allowing you to pack for a week-long trip without worry. Keep your refreshments ice cold much longer this season with Vortex coolers.
